2. The weight given in the newspaper report is 14oz 1-9 but this cannot be correct as the weight is too high for just four berries.
3. Newspaper report states that a special prize was awarded by Mr & Mrs W Bennison to commemorate their Diamond Wedding Anniversary. The prize was for four berries in four colours and was awarded to R Harland with a weight of 5¼oz 0-18. These were not beaten berries so would not have been eligible for the normal four colours prize.
