Welford produced the heaviest Green and White berries, respectively. E. Welford also set a new Show Record with his Maiden Six, which weighed in at 7oz 10drams and 23grains.

UNITED KINGDOM RECORDS

The following are believed to be the heaviest berries ever shown in the United Kingdom:-

CATEGORY	EXHIBITOR	SHOW	GOOSEBERRY	EQUIVALENT		YEAR
				DRAMS	GRAINS	
Heaviest Berry	A. Dingle	Marston	Woodpecker	33	2	1978
Heaviest Red	J. Flower	Stone	London	32	21	1852
Heaviest Yellow	A. Dingle	Marston	Woodpecker	33	2	1978
Heaviest Green	K. Archer	Marston	Surprise	28	22	1987
Heaviest White	D. Heath	Goostrey	Lord Kitchener	31	18	1988
Heaviest Twins	G. Simcox	Marston	Woodpecker	53	11	1968

WORLD RECORD: for an individual berry was a Yellow Woodpecker equivalent to 33 drams 2 grains shown by A. Dingle at Marston - 1978.

BEST OF THE SEASON: The Cheshire Shows do tend to produce slightly heavier berries - perhaps reflecting a more favourable environment for gooseberries!! However, Egton Bridge does occasionally produce the heaviest berry of the Season. B. Harland (1985) and R. Bennison (1982) being the most recent to hold such an honour. This year (1990) the Cheshire Shows take the honour with a (White) Lord Kitchener Gooseberry (shown at Marston Show by A Dingle) tipping the scales at an equivalent of 30 drams 3 grains.

1. That this Society be called "THE EGTON BRIDGE OLD GOOSEBERRY SOCIETY," and that subscribers of One Pound be members thereof.
2. That the affairs of the Society shall be conducted by a Chairman, Secretary and Treasurer and Committee. Five to form a quorum. In the absence of the Chairman, the Committee at any meeting have the power to choose an Acting Chairman for the meeting. All officers to be members of the Committee.
3. That the Annual Meeting be held on Easter Tuesday each year, when all entries must be paid the week following from that date, or cannot compete.
4. The election of officers to take place at the Annual Meeting.
5. The Secretary shall have power to call a meeting at any time. Notice to be given to each member.
6. The Committee shall have power to fill up any vacancy that may occur in their body, and to make such bye-laws as from time to time may be deemed expedient.
7. All Gooseberries to be the bona-fide growth of the members showing.
8. All Gooseberries to be handed to the weighman perfectly sound and dry. Twin berries to be distinctly twins, i.e., two on one stem naturally. A pair of twin berries cannot be split in any case.
9. That two persons be chosen to see that the Gooseberries are properly weighed and prizes awarded accordingly.
10. Prizes to be allocated as follows:-

Prizes (except Champion Grower) are allocated purely on weight. New members are classed as Maidens and are promoted to the Open Category only after taking First in the Maiden section, or a First in the Colours section.

(a) Champion Berry:

Open and Maiden growers eligible. Heaviest berry in the Show - this berry will also take First in its respective colour and if shown by a Maiden, would also take Maiden First.

(b) 1st/2nd/3rd in Red/Green/White/Yellow:

(Colours Section) Open and Maiden growers eligible. 1st/2nd/3rd places required for each of the four colours of gooseberry. A member is only allowed one prize in this section, taken by his heaviest winning berry (regardless of prize status). A Maiden taking a First is promoted to the Open Class. A Maiden berry winning here could also take a prize in the Maiden section.

(c) Maiden Section:

Maiden growers only. 1st/2nd/3rd places required, regardless of colour of berry. The Maiden taking First is promoted to the Open Class.

(d) Best Beaten Berry (1st only):

Heaviest berry shown by an Open or Maiden grower who has not won a prize in any previous section.

(e) Twin Berries:

Open and Maiden growers eligible. 1st/2nd/3rd places required.

(f) Maiden Twins:

Maiden growers only. 1st/2nd/3rd places required. (Maiden twins can win in both section e and f).

(g) Heaviest Twelve:

Open and Maiden growers eligible. No berry that has won in any of the above sections is eligible. If the member is present he should select his own twelve, otherwise a Judge or Steward will select on his behalf. A member (with sufficient berries) should enter this section before he enters the next. 1st/2nd/3rd places required.

(h) Heaviest Six:

1st/2nd/3rd places required. Open and Maiden growers eligible. No berry that has won in any previous section is eligible.

(i) Maiden Six:

1st only. Maiden growers only. No berry that has won in any previous section (except Heaviest Six) is eligible.

(j) Four Colours:

Only members (Open and Maiden) who have not won any prize in any previous section are eligible. Must have entered one berry in each of the four colours at the time berries were submitted.

(k) Champion Grower:

Berries entered in each colour section (red, yellow, green, white), in twins and heaviest twelve are ranked according to weight. The first ten in each section score from 10 points down to one point. Points scored by the exhibitors (Open or Maiden) in all six sections are totalled - first prize (only) going to highest scoring exhibitor. Whether or not any berries scoring points in this section have won (or been barred from) prizes elsewhere is irrelevant as this prize is for the Grower, rather than the berry.

(l) In the event of recorded weights indicating a tie for a prize, then those berries will be brought back to the scales and be balanced one against the other. The heavier berry takes the prize if such balancing shows weights are not exactly matched. If, however, berries are exactly matched, then both berries will be considered joint winners of that prize!

11. All major trophies remain the property of the Society and shall be returned to the Committee in time to display at the next Annual Show.

12. No person becoming a member will be allowed to compete with berries from trees that have belonged to other members unless the trees have been replanted in the presence of one or more of the Committee.

13. That in the event of the death of a Member of the Society, one member of deceased's family may exhibit from the said member's trees, but cannot compete for the Maiden Prize if this has already been won by the deceased member, without the said trees being lifted in the presence of two members of the Committee.
14. That all members who fail to pay their contributions must stay out of the Show "two years" before being allowed to exhibit.
15. In the event of any dispute arising, it will be decided by the Committee, their decisions to be accepted as final.
16. That the Show take place on the first Tuesday in August at Egton Bridge. All berries to be in to weigh not later than 1.00 p.m. or not allowed to compete. All berries to remain on the table till 7.30 p.m.

A Reminder

Please read Rules 3 and 14 and make sure you pay your Subscription for the 1991 season in good time. Membership fees for next season could have been paid at this year's Show. Many people do this and we find it very helpful. Membership fees can be paid now (by post to The Secretary, or in person to the Treasurer or a member of the Committee.) Membership fees for the 1991 season must be paid before 9th April, 1991. Chasing after outstanding Subscriptions causes extra work for the officers of the Society. Rule 14 requires the Committee to bar for two years anyone who does not subscribe in time. Please make sure you pay up in good time - don't wait for us to chase you!

Further copies of this Register are available from the Secretary (50p. per Register). Membership application forms are also available, as are car stickers advertising the Gooseberry Show!
